## DECOR & FIT OUT WORKS

ZERO SPACE provides a full spectrum of interior fit-out and commercial refurbishments. Quality is guaranteed by our highly skilled workforce. Our experienced supervisors, engineers and project managers ensure that every task is performed under stringent health and safety regulations.

## WALL PAPER

ZERO SPACE has various collection of wall paper to full fill their client's requirements, ZERO SPACE especially focusing to give the wall paper pattern to matching with the client existing home, office and living rooms interior concept.

ZERO SPACE

PASSION  
DESIGNING & CREATIVITY

## CURTAINS

ZERO SPACE concentrating different kind of curtains as per the client choice. ZERO SPACE mainly serving the curtains are Fabric Curtains, Roller Blinds, Wooden Blinds, Wooden Venetian Blinds, Aluminum Venetian Blinds & Vertical Blinds etc.

## GLASS & GYPSUM PARTITIONS

The drama and beauty of glass enhance any space. ZERO SPACE has combined the beauty of glass with the functionality of an operable partition in our glass wall partitions.

Our customers are using glass wall folding door panels to close off store fronts, showrooms, bank lobbies, library training centers or to create meeting rooms. Hotels use them to separate the breakfast area from the lobby or for their retail stores.

## CARPET TILES

Carpet tile is the new innovation for flooring. Carpet tiles are the longest lasting, most environment friendly options in the market today. Our goal is to offer the high quality carpet tile at the lowest possible prices.

Carpet tiles are more affordable and possibly practical. These give you the look and feel of carpet; luxury without the expense and you can even get very creative by intermixing tiles of different colors and textures to create unique patterns. Most of all, carpet tiles are incredibly easy to install and repair, requiring only the replacement of the few tiles that have been worn, stained or damaged, with minimal disruption to other parts of the office and to staff.

## PARQUET FLOORING

Parquet Flooring is a best source to serve you with all at affordable rates. MDF Flooring(Medium Density Fiberboard For Flooring) ,HDF Flooring(High Density Fiber board For Flooring) ,laminate Flooring . We have the widest variety of flooring solution to choose from. These flooring will just lift up your interior and make it more beautiful.

Most interior designers consider parquet when arranging an interior design, this is on account of it is one of the floor materials that can suit any configuration plan. Whether the material will be oak, cherry, teak, or mahogany, a parquet ground surface can really break the repetitiveness of the basic cutting edge style. Parquet floors can effectively add flavor to wherever

## VINYL FLOORING

Vinyl flooring gives the choice of making your office or home stylish. ZERO SPACE provides vinyl flooring with a wide variety of colors and designs. We provide flooring that is totally sound proof and water resistant. ZERO SPACE Vinyl Flooring is easy to clean as the top layer is sealed with a scratch guard layer.
